

# Geochemistry

EXPLORATION, ENVIRONMENT,  
ANALYSIS

The journal is abstracted and/or indexed in *AGI's Bibliography and Index of Geology*, *Chemical Abstracts*, *Current Contents*, *Engineering Index*, *GEODATA*, *GeoRef*, *Mineralogical Abstracts*, *PASCAL/CNRS*, *GeoArchive*, *Thomson ISI database (SCIE, CC/PC & ES)*

*Editor:* **G. E. M. Hall**, Geological Survey of Canada, Ottawa, Canada (e-mail: [GHall@NRCan.gc.ca](mailto:GHall@NRCan.gc.ca))

*Associate Editors:* **M. Leybourne** (GNS Science, New Zealand), **J. Carranza** (ITC, The Netherlands)

*Production Editor:* **Jessica Pollitt**, Geological Society Publishing House, Bath, UK (e-mail: [jessica.pollitt@geolsoc.org.uk](mailto:jessica.pollitt@geolsoc.org.uk))

## CONTENTS - Volume 12, No. 4

These are papers that were presented at the 25th International Applied Geochemistry Symposium (IAGS) held in Rovaniemi, Finland 22-26 August 2011. The issue is edited jointly by Gwendy Hall and Pertti Sarala.

### **The Frederick Project: Geochemical exploration for sediment-hosted base metals in covered terrain in the Bangemall Basin, Western Australia**

R. H. Mazzucchelli 257

### **Search for geochemical indicators of pre-urban habitation sites: case study from the Skomantai hill-fort and settlement, western Lithuania**

R. Taraškevičius, M. Stančikaitė, A. Bliujienė, R. Stakėnienė, R. Zinkutė & J. Kusiak 265

### **Bioavailability of nutrients in Australia from Mobile Metal Ion<sup>®</sup> analysis of catchment outlet sediment samples: continental-scale patterns and processes**

A. Mann, P. de Caritat & P. Prince 277

### **The geochemistry of niobium and its distribution and relative mobility in agricultural soils of Europe**

A. J. Scheib, D. M. A. Flight, M. Birke, T. Tarvainen, J. Locutura & GEMAS Project Team 293

### **Fractionation of trace metals in a contaminated freshwater stream using membrane filtration, ultrafiltration, DGT and transplanted aquatic moss**

B. Öhlander, J. Forsberg, H. Österlund, J. Ingri, F. Ecke & L. Alakangas 303

### **Rare earth elements in Greenland: known and new targets identified and characterised by regional stream sediment data**

A. Steenfelt 313

### **Source of anomalous gold concentrations in termite nests, Moolart Well, Western Australia: implications for exploration**

A. D. Stewart, R. R. Anand & J. Balkau 327

### **The application of predictive geochemical modelling to determine backfill requirements at Turquoise Ridge Joint Venture, Nevada**

R. Warrender, R. Bowell, A. Prestia, A. Barnes, W. Mansanares & M. Miller 339

### **Anthropogenic versus lithological influences on soil geochemical patterns in Cyprus**

D. R. Cohen, N. F. Rutherford, E. Morisseau, I. Christoforou & A. M. Zissimos 349

### **Calcrete and plant inter-relationships for the expression of concealed mineralization at the Tunkillia gold prospect, central Gawler Craton, Australia**

B. G. van der Hoek, S. M. Hill & R. C. Dart 361

*Geochemistry: Exploration, Environment, Analysis* (ISSN 1467-7873) is published in February, May, August and November by the Geological Society Publishing House the Geological Society, London and the Association of Applied Geochemists.

**Subscription rates 2012 (volume 12, 4 parts):** All correspondence relating to trade subscriptions should be addressed to the Journal Subscriptions Department, Geological Society Publishing House, Unit 7, Brassmill Enterprise Centre, Brassmill Lane, Bath, UK, BA1 3JN (Tel: +44 (0) 1225 445046; Fax: +44 (0) 1225 442836; e-mail: [sales@geolsoc.org.uk](mailto:sales@geolsoc.org.uk)). The subscription prices for 2012 to institutions and non-fellows are GEEA Online: £215 +VAT (UK), £243/US\$487 (overseas) or GEEA Online+print: £242 +VAT (UK), £274/US\$548 (overseas). The current tax rates (for UK and European Union subscribers) and more information can be found on <http://www.geolsoc.org.uk/LyellCollection>.

Periodical postage paid at Middlesex, N.J. *Postmaster:* send address changes to *Geochemistry: Exploration, Environment, Analysis*. The Geological Society, c/o Pronto Mailers, PO Box 177, Middlesex, NJ 08846.
